Gilda,

With my apologies for not getting this to you sooner, attached please find my proposed edits to your very thorough reporting cable on the last Enforced Disappearances negotiating round. It captures all the right points of emphasis and key issues, and offers a realistic oversight of the amount of work still remaining to be done.

Thank you very much for wrapping things up so well. Mike

Mike -attached for your input and editing and for clearance and transmission by the mission is a draft reporting cable. There is no pride of authorship - please edit freely and add points I may have overlooked. When we receive the final cable (please send by e-mail directly to us as well), I will fax to DOJ, DOD, DHS, and NSC.
    wishing you well, and thanking you for your prompt comments on the draft UNGA rseolutions on disapperances and missing persons,
